Building Human Communities of Love

Apovonnem ...the call

COME, SEE, WALK TOGETHER

Dear Friends,

On 23 June 2023, a humble elderly woman from Kolanatti, a village in North Karnataka, beckoned, "*Banni, nōḍi*" (meaning "Come, See" in Kannada). Her face was aglow with joy as this impoverished woman had now become the proud owner of her own house (see picture). Following the Ignatian Year 2021-22, the Jesuits and friends of Jesuits endeavoured to assist several underprivileged families by providing them with simple 1BHK houses in different parts of the Goa Province, including Goa, Belgaum Diocese, and Sindhudurg Diocese.

Through the constant support of our Jesuit families, collaborators, benefactors, alumni, PTA, and students, we are able to remain committed to building human communities where peace, justice, and love flourish. Your contributions enable us to bring light through various transformative initiatives, such as helping a young woman fulfil her dream of graduating from nursing school, ensuring a migrant girl's remains (she died in Goa) are respectfully sent home to her parents in Manipur, accompanying an elderly priest in his final days as he prays for the Church, celebrating the Eucharist for a small community in a remote village, living among people of all faiths in the dialogue of life and action, nurturing the potential of young individuals through the Magis youth program, protecting Mother Earth through campus greening and solar power utilization, and so much more.

Your generous prayers and contributions have empowered us to undertake these apostolic works, enabling individuals and communities to overcome challenges and pursue a future filled with hope. Fr Merwin D'Souza, SJ, served as our Province Development Director (PDD) and reached out to you for support. On 01 June 2023, Fr Merwin handed over the responsibility to Fr Joseph (Joe) Nazareth, SJ, our new PDD. Fr Joe will continue to share our apostolic endeavours with you and request your continued prayers. Scholastic Irivo Joao has put together a few of our activities and initiatives to share with you in this e-newsletter. Send us your feedback; we love to hear from you.

Thank you for walking with us in being women and men, for others, and with others.

Goa Jesuits celebrate in the joy of our deacons

Novena Of Grace

A nine-day period of prayer and reflection is observed every year in the month of March at the Bom Jesus Basilica in Old Goa. People seek the intercession of St. Francis Xavier (our *Goencho Saib*), known for his service in Goa and in other parts of Asia. During the novena, many people gather to participate in prayer and reflect on their faith in God. They are inspired by St. Francis Xavier's love for Christ and his desire to spread God's Word. Many have heard their prayers answered; many have been transformed through prayer.

The celebration concludes with a high mass on the last day followed by the Stations of the Cross to Rosary Church in Old Goa. This is a devotional practice that commemorates the journey of Jesus Christ to His crucifixion.

After the mass, "*pej*," a type of watery rice, is distributed to devotees since St. Francis Xavier is said to have eaten it. True prayer leads to action, and the faithful are encouraged to be beacons of light to others. This is a meaningful way to honor the saint's legacy and remember his work.

Deacon Shawn D'Silva from Ambelim, Goa, was recently ordained alongside eight other Jesuits and three Capuchins by Rt. Rev. Thomas Dabre, the Bishop of the Diocese of Pune. The Goa Jesuit community is delighted about the ordination and wishes the newly ordained deacons well as they embark on their journey of service to God and the community. During the ceremony, Bishop Dabre reminded the deacons to serve with love, be gentle in ministry, and be devoted to prayer in their service to others. Deacon Shawn D'Silva now joins two other deacons of the Goa province, Velsonson and Alendro. The Goa Jesuits express their gratitude and best wishes to the newly ordained deacons as they begin their journey of service to God and the community.

Celebrating Seniority

A Jóyous Birthday Tribute to Fr. Leslie and Our Elder Jesuits

At Xavier Residence and Health Care Facility in Porvorim, we recently celebrated the birthday of our beloved senior Jesuit, Fr. Leslie Francis. It was heartwarming to see so many people come and wish him on his special day. As we celebrate the birthdays of our elders, we are reminded to cherish and pray for their well-being, especially those who have dedicated their lives to the service of others. Let us continue to pray for the good health of all our elderly Jesuits, who have worked tirelessly in the Lord's vineyard, and now reside in the infirmary.

Being blessed by the Spirit

For the catechism students of Milagres Church in Ratnagiri, the day of the Sacraments of Holy Communion and Confirmation was one of the most eagerly awaited and exciting days of the year. "During the Eucharist celebrated by Bishop Alwyn Barreto, we felt a deep sense of connection with Jesus as we received Holy Communion, and the empowerment of the Holy Spirit was truly transformative. We are grateful to our catechist for preparing us for this great day," mentioned a student.

Exploring Goa's Rich History

The Xavier Centre of Historical Research and St. Paul's High School, Belagavi, jointly organized a two-day Historical Excursion tour for 46 Standard 9 students of St. Paul's High School, Belagavi. The students were given an enriching exposure to Goa's rich history through visits to various churches, temples, historic ruins, and museums.

Waste Management Seminar at St. Paul's English Medium Primary School

St. Paul's English Medium Primary School, Sangargalli, recently hosted a seminar on waste management, which attracted a significant number of attendees from the local community, including students and visitors from neighbouring villages. The seminar featured Dr. Aarti Bhandare, the director of Boond, as the keynote speaker. The event was well-received and helped raise awareness about the importance of effective waste management practices.

Jesuit Mentoring Program for IAS Aspirants

The inauguration of the Jesuit Mentoring Program for IAS aspirants (JMPI) took place on January 29, 2023, under the guidance of the Jesuits of Goa Province. The program began with a welcome speech by Ms. Velma Fernandes. It was followed by the lighting of a traditional lamp and a prayer dance by students from Spring Valley School. A total of 20 students were selected through an Entrance Exam and F2F interview.

The keynote address on “Serving the nation as committed civil service officials,” was delivered by Mr. Bosco George, the Director General of Police. This was followed by a brief overview of the program by our Provincial, Fr Roland Coelho, who encouraged the students to stay focused and to work hard. Fr Tony da Silva emphasized the importance of holistic development and the need for students to embrace a collaborative learning approach.

The JMPI program was born from a talk on becoming an IAS officer held at the Collaborative Learning Café, which is an initiative of the Jesuits and Friends of the Jesuits to promote lifelong learning. This program aligns with the Society of Jesus' Universal Apostolic Preferences of “accompanying young people in the creation of a hope-filled future.” Now, we focus on training the students in various fields and provide a holistic approach to their studies. We have students from diverse backgrounds. We are grateful to all the lecturers and resource persons who have rendered their help during the training.

Happenings at Thomas Stephens Konkani Kendr (TSKK)

TSKK held its 33rd Annual Award Ceremony (Puroskar), with Ms. Priyadarshini Tadmokdar, a retired lecturer in Konkani at Goa University, as the chief guest.

The following awards were presented at the function:

- Ø Menino Mario Araujo received the Dr. Jack Sequeira Konknni Puroskar 2022 for his contribution to the Konknni language.
- Ø Ms. Philomena Samfrancisco was honored with the Valerio Carvalho Konknni Puroskar 2022.
- Ø Bro. John Malvino Alfonso, OCD, received the Maria Afonso Konknni Puroskar 2022.
- Ø The Late Fr. Casimiro De Mello Konknni Puroskar 2022 was bestowed upon Miguel Arcanjo Braganza.
- Ø Vishal S. Khandeparkar was awarded the Martir Floriano Vaz Puroskar 2022 for his book, 'ZODD KAXANV'.
- Ø The Antonio Pereira Konknni Puroskar 2023 was presented to Fr. Jose Dias.

Goa Mediation and Reconciliation Center (GMRC)

The idea of setting up GMRC with two desks, namely, at Nirmala Institute of Education (NIE) in Panjim and at Pedro Arrupe Institute (PAI), Raia came from (former Jesuit scholastic) Advocate and Mediator Jonathan Rodrigues. There is a felt need in Goa to help people to resolve their conflicts without prolonged legal battles. Webinars were organized on awareness of GMRC wherein we received encouraging responses. Fr Felix D'Silva from the Jesuit side worked in tandem with Dr Rita Paes of the Daughters of the Heart of Mary, along with Jonathan and Adv. Zyfern Dias, the Coordinator for GMRC, to get this initiative off the ground.

Seeing such a response from the people, we then moved on to training the mediators for this venture which was carried out with the help of Centre for Arbitration and Mediation Practice (CAMP), a professional mediation firm from Bangalore. There are six persons who are trained as mediators with a certificate from CAMP. After a long wait of two years, faced with some hurdles in the middle of the process, we reached the inaugural of GMRC at PAI and NIE. The inaugural function at PAI was a great success with the presence of Adv. Carlos Alvares, MLA; Nelson Britto Retd. Judge, and about 90 attendees.

Adv. Zyfern requested Sr. Rita to launch the logo and the website of GMRC. Jonathan spoke about the logistics of how GMRC became a reality. Roland addressed the gathering highlighting the advantages of the mediation process. The mediators Mrs. Gayathri, Sulata, Zina added to what Jonathan said by bringing more clarity to the meaning and understanding of mediation through a role play. The audience loved the innovative manner of bringing out some nuances of the process of mediation. We were privileged to listen to Adv. Carlos Alvares Ferreira, MLA of Aldona Constituency, on his experiences with the legal world and mediation too.

The function ended with a vote of thanks followed by the opening of the centre with a blessing by Fr Cedric Fernandes and the cutting of the ribbon by Adv. Carlos Alvares.

Swadesh Annual Bal Mela

Over 150 children from Sattari participated in SWADES' annual Bal Mela at Our Lady of Lourdes High School in Valpoi on November 27th. "Come dear children ... and know that you are the architects of new India," was the theme. Fr. Santan Gama, the parish priest of Valpoi, inaugurated the event and stressed the interrelatedness of flora and fauna. The children enjoyed games, action songs, and funny dance moves taught by the young Jesuit scholastics. The event consisted of a cultural program compered by the children. The children received balloons, stationery, and a good meal. They went home with smiles on their faces.

Christmas Sharing with Panjim City Corporation Workers

The Jesuits and collaborators of Loyola Hall, Miramar, and Jesuit house, Panjim, and the Curia staff organized a Christmas get-together for the simple hardworking workers who work for the city corporation of Panjim. The program featured common games, music, dance, and lunch was provided for all. One of the workers said a prayer before the meal, thanking God for the blessings received, and asking God to bless all those who reach out to the poor. The workers felt loved and appreciated for their daily commitment to keeping the Panjim streets clean. "The event ended on a high note, leaving everyone imbued with joy, love, and hope" said one of the volunteers helping with the program. And one of the workers asked: "Will you have another program for us next Christmas?"

Parenting Workshop

St. Paul's High School, Belgavi conducted a parenting workshop led by Mr. Tejas Kilekar, a renowned child counsellor. The workshop focused on addressing common mistakes made by parents during the early years of parenting and provided practical tips to overcome them. It covered a wide range of topics, such as effective communication, stress management, fostering positive relationships, and promoting healthy habits. Attendees found the workshop insightful and helpful in supporting their children's emotional and social development. The school plans to organize more workshops in the future to continue supporting parents in their parenting journey.

Empowering People: at Snanika Arulappara Virakta Math

Snanika Arulappara Virakta Math at Deshnur, has starting English and computer classes for Kannada medium students in the evenings, they are also conducting music lessons for youth and children. The computer lab was named after the Jesuit pioneer, Fr Thomas Kottaram, who had offered many years of loving service in those villages, and it was set up in loving memory of Mira Das Chagas e Silva. Additionally, Fr. Menino and the Nirmal Nagar sisters have collaborated to establish a dispensary in the village, providing better healthcare services to the local rural folk.

Promoting Organic Farming

Shramik Abhivrudhi Sangh (SAS), our Jesuit social trust in the Belagavi area, has many programs and activities to help the last, lost, and least of society. One of the programs is to promote organic farming and to help farmers return to traditional agricultural methods for long-term health and profitability. Through collaborative efforts with government agencies, SAS offers various training programs and incentives to encourage the adoption of organic farming practices. Additionally, the organization arranges exposure visits for farmers to witness successful organic farming operations and learn to make organic pest controls. These initiatives serve as a source of motivation for farmers, empowering them to embrace organic farming and promote chemical-free, healthier food consumption.

Right to Employment - Talk at Nesargi

In an effort to promote socio-economic empowerment, the Jesuit Social Action Trust's Shramik Abhivrudhi Sangh (SAS) has been actively involved in conducting diverse activities to support Self-Help Groups (SHGs) in their pursuit of the right to employment. The SHG federation met at Nesargi, for a talk focused on the right to employment. They, as persons with dignity, have a right to work in favourable conditions and get adequate leisure time. The talk was well attended and many benefited from the same.

Supplementary Education at Torangatti

The Sarvajagatik Virakta Math in Torangatti has initiated supplementary classes for children. LCD projectors are utilized to teach through video lessons. As a result, the number of children attending our study centre has increased, and they are eager, explorative, innovative, and, most importantly, happy. This initiative also provides rural students with an opportunity to develop the same skills as their urban counterparts.

The 75th anniversary celebration of St. Britto School

St. Britto School in Mapusa is joyfully celebrating the 75th anniversary of its Jesuit roots, marking a significant milestone for the entire school community. This momentous occasion provides an opportunity to reflect upon the school's rich history, notable achievements, and acknowledge the dedication of students, faculty, staff, and alumni.

The inaugural program commenced with a heartfelt thanksgiving Mass followed by a vibrant cultural program. A series of exciting events have been planned, including alumni gatherings, cultural performances, sports competitions, exhibitions, and community outreach programs. These celebratory activities aim to inspire ongoing growth and development for the school, fostering a spirit of pride and unity among all who have contributed to its success. The Jubilee activities will continue through the year.

An Encounter with the people of Manipur

I, Sch. Ashwin, was assigned to St. Xavier School in Majuron, Manipur for my regency. It was challenging to adjust to new food habits, clothing styles, and languages, but I found the experience enriching. The students were eager to learn, and the community was welcoming, making me feel at home. I also had the chance to learn about Manipur's unique culture and explore its natural beauty. Overall, it was a challenging yet rewarding experience, and I am grateful for the opportunity to have taught at St. Xavier School and to have learned so much about Manipur's culture and traditions. (Scholastic Ashwin completed his regency in Manipur and is now studying Philosophy at Satya Nilayam, Chennai)

Xavier Retreat House, Baga

On 16 April 2023, His Eminence Filipe Neri Cardinal Ferrão blessed and inaugurated the newly renovated Xavier Retreat House, Baga - Goa, marking a momentous occasion for those involved in its construction, namely, the Jesuits, benefactors, and workers. The chapel was blessed during the Eucharist, along with its new altar and tabernacle. This chapel has been given a new lease of life as a spacious and beautifully designed chapel. The renovated retreat house now offers large rooms and better facilities.

Located atop a picturesque cliff overlooking the ocean, the house provides a peaceful and tranquil environment for those in search of spiritual rejuvenation. The Eucharist was also an occasion to thank God for all His blessings, reflecting on the spiritual work carried out at XRH since its inception in 1951 by the Belgian Jesuit Fr. Adrian Le Tellier. At the end of the service, a number of individuals were recognized and thanked for their contributions towards the renovation. We specially pray for the Egipsy family of Baga who donated the property to the Jesuits for our spiritual ministries.

Supervising the renovation work was Fr Augustine Fernandes, whose tireless efforts ensured that the construction materials arrived on time, even at the cost of a few sleepless nights. The members of the renovation committee—Lawry, Cedric, Merwin, and Thomas—provided unwavering support. Meanwhile, Fr Paul Fernandes' presence in Baga brought new life to the area, as he catered to the spiritual needs of the neighbors.

Looking towards the future, the new team led by Frs Shannon and Edmond, with able support from the laity, religious, and our evergreen Fr Ronnie, aims to continue the Synodal path by collaborating with others in fostering spiritual leaders for the Church and society through Ignatian Spirituality. XCHR: Falling in love with history through films and books

XCHR organized the screening of the film, “Bread and Belonging,” a film by Sonia Filinto, on 08 February 2023 at the Centre. Mrs. Sonia Filinto, the director of the film, gave a quick intro to the film before its screening. This 50-minute film focuses on three stories around Pão, Goa's unique bread. These stories highlight India's smallest State, Goa, where people face the reality of migration, changing culture, and the ever present need to earn a living. After the film screening, Architect Pritha Sardessai, member of the Goa Heritage Action Group moderated the Q & A session. The audience interacted with Sonia, exchanged questions and information, leading to appreciation.

On 20 February, Dr. Celsa Pinto, an alumnus of XCHR where she completed her PhD under Dr. Teotonio de Souza, released two books, “The Idea of Constitutional Liberalism in Goa: Understanding Bernardo Peres da Silva's “Diálogo” and “Concise History of Goa” at the Xavier Centre. Dr. Celsa explained B.P. da Silva's desire for his fellow Goans to access education abroad, to challenge the oppressive structures of caste discrimination, and race, and briefly explained the importance of Goa's history in a concise manner, from pre-history of Goa to modern times. Mr. Anthony De Sa, IAS (retd) was the Chief Guest. He spoke about the importance and life of B. P. da Silva and the impact he made on Goans, to protest against the Portuguese. The audience had the privilege of meeting Dr. Celsa in person

FR. BRAZ FALEIRO S.J

A Builder and an Apostle of the Underprivileged and the Disorganised

Fr. Braz Conceicao Faleiro was born on 8 December 1936, in Navelim, Salcette - Goa. He entered the Jesuit Novitiate at the age of 18 in Andheri, Mumbai, where he completed his novitiate and Juniorate. He did his licentiate in Philosophy in Braga, Portugal (1958-1961) and Theology in Innsbruck, Austria (1964-1968). He was ordained a priest in Zug, Switzerland on 30 July 1967. He did his Tertianship in Sitagarha, then part of Bihar in March 1970, and pronounced his final vows in 1973. Fr. Braz received a master's in human resources from the University of Manchester, U.K.

Fr. Braz held a number of responsibilities in the Goa-Poona Province, (which later was divided into the Goa and Pune Provinces), such as Director of Workers Association (1971-72), Socius to the Provincial (1974-76), District Superior of Goa District (1984), Superior of Jesuit House, Panjim (1989), and Superior / Treasurer of Xavier Centre of Historical Research, Porvorim (2006-07).

He trained himself in the construction work and was asked to supervise the construction of Jesuit House, Panjim; the repairs and renovation of the Baga Retreat House, and the construction of the Pedro Arrupe Institute, Raia. He also supervised the construction of the Institute of Management at Bhubaneswar in Odisha.

One can aptly state that Fr. Braz was an apostle to the underprivileged and the unorganized. He was one of the first to enter into the social struggle in Goa. He got a taste for this while he was a regent at Our Lady of Grace High school, Bicholim, which was then under the Jesuit Management. Here, 'the guiding hand of God took him among the mine workers who were exploited with overwork and paltry work' (Fr. Peter-Hans Kolvenbach, the Superior General on the occasion of Fr Braz's 50 years in the Society of Jesus, 23.6.2004).

As the Province Coordinator of Social Action in Goa, Fr. Braz supported the struggles of various groups of 'the socially or economically marginalised people.' Along with late Mr. Mathany Saldanha, he involved himself personally in the struggle of the Ramponkars, the traditional country boat owners, against the mechanized trawlers. Here, he played a prominent role; he met the fishermen regularly, heard their grievances, held morchas and spoke boldly against the injustice done to them, which led to his imprisonment in 1983. His friends in Europe appreciated his social apostolate and liberally supported it with affection and funds.

Though Fr. Braz was offered a sabbatical, rest and self-renewal for a year after his active ministry, he offered his services for the JRS in East Timor. Though these were accepted locally, the higher superiors thought otherwise. But this did not affect his zeal for the love of souls. He took up the apostolate of 'building the faith of fellow Christians.' He took up spiritual ministries, first at the Retreat house in Baga and then at Xavier Residence Porvorim. He was also associated with the 'Jesus Centre', a Catholic Charismatic renewal centre in Panjim, where he became a Spiritual Guide. While at Porvorim, he continued to reach out to those in need.

As a person, Fr. Braz was a good and dedicated religious man of deep prayer and faith in God. He was unassuming, simple and sincere in his lifestyle, a good leader, bold speaker, good organiser, hard worker, had a great love for workers, filled with the spirit of sacrifice, and one who lived up to his commitments.

He became an inmate of the newly opened Goa Jesuit Province Health Care Centre at the Xavier Residence in Porvorim. Due to poor health since 2019, he spent the remainder of his life at the centre. He left for his Father's home on 14th May 2023. The funeral service was held at Our Lady of Snows, church in Raia on 16 May 2023 at 4.00 pm.

May God reward him for his generous services!

XCHR Exhibition Honours Angelo da Fonseca's “Indian Madonna”

Xavier Centre of Historical Research (XCHR) inaugurated “Angelo da Fonseca's INDIAN MADONNA,” an exhibition of selected paintings, on 06 December 2022. On the 120th birth anniversary of da Fonseca, 29 invited school students from Goa paid tributes to him on the theme, “MOTHER.” The exhibition was curated by Dr. Savia Viegas, artist, writer, and academician. Earlier, she had organized 3 workshops for the invited students to inspire and motivate them to paint by gaining inspiration through Fonseca's paintings. These invited students painted on the aforementioned theme and their paintings were highly appreciated by the public.

At the inaugural function, the Director of XCHR, Fr Tony da Silva, while welcoming an audience of over 120 people, highlighted the importance, relevance of Fonseca's paintings and lauded the efforts of the students. Dr. Savia Viegas highlighted the works of Angelo da Fonseca, his contributions to Indian art and the need to recognize his work.

The Socius, Joseph Cardozo inaugurated the exhibition by cutting the ribbon and declaring the exhibition open. He also addressed the gathering and spoke of Fonseca's contribution to Indian Christian paintings, its influence in parts of India and that this drew attention to not only Christians but also people of all faiths.

The students who participated in the painting to honour da Fonseca were given Participation Certificates. XCHR gave winners prizes with Merit Certificates and cash prizes to the three best paintings. Those present then proceeded to the Museum, where the students sang “Happy Birthday” in honour of da Fonseca. The audience had the privilege to see the paintings of Fonseca. The Administrator of XCHR, Fr Malcolm, thanked the Chief Guest, the Judges, the Curator, the students and the audience for the success of the event.

Dear Friends,

We, the Jesuits of the Goa Province, are actively engaged in serving the State of Goa and the districts of Belgaum, Ratnagiri, and Kolhapur through various ministries encompassing youth, retreats, research, ecology, parishes, and formal and non-formal education.

We kindly invite you to join us on our journey and offer your support in any of the following areas of need:

- 1. Supporting any Jesuit Ministry/Apostolate:** Your contribution towards any of our ministries will greatly assist us in our mission to serve the community effectively.
- 2. Health care for our senior Jesuits:** Our dedicated senior Jesuits have tirelessly devoted their lives to selflessly serving others, and now they require medical assistance and health care. Your support in this area will help ensure their well-being and comfort.
- 3. Formation expenses for our Scholastics (seminarians):** As we strive to nurture and educate our future Jesuits, your generous contributions towards the formation expenses of our scholastics will enable us to provide them with the necessary guidance, education, and resources to become compassionate and knowledgeable leaders.

Your support and partnership in any of these areas would greatly aid our efforts and strengthen our ability to make a positive impact in the lives of those we serve. We wholeheartedly appreciate any assistance you can provide.

Thank you for considering accompanying us on this journey and for your generosity.
